-Professional camera & videography equipment use

Experience:

CitrusTV

News reporter, CitrusTV Noticias

Syracuse University | August 2023-March 2024

I delivered live weather reports in Spanish, providing accurate and engaging information to Spanish-speaking audiences. I wrote and edited compelling stories outside of weather-related news. I assisted producers and anchors by prompting, floor directing, and managing studio cameras during live newscasts. I contributed to social media and online content to enhance viewer engagement.

Auxiliary, CitrusTV Unpeeled

Syracuse University | August 2025-Current

Shadowed audio control, gaining hands-on experience with professional broadcast equipment. Assisted with audio set up and monitoring during live broadcast. Contributed to editorial pitch meetings by pitching relevant and timely story ideas with a focus of community interest. Supported producers and reporters with background research, and preparation for on-air segments.

Host, Z89

Syracuse University | Spring 2024- current

Pitched creative on-air content ideas and conducted research on current trends. Demonstrated strong editorial judgement and an understanding of audience demographics when selecting and presenting topics.

Food Service/Cashier, Campus Dining

Syracuse University On-Campus | August 2023 –Present

I assemble customers orders in a fast-paced environment. I developed transferrable skills such as multitasking, teamwork, problem-solving, and working under pressure.

Retail Worker/Customer service, Carter's Retail

Jackson Heights, NYC April 2025-current (seasonal)

Managed and fulfilled online orders with accuracy and efficiency. I maintained inventory by tracking stock levels and restocking shelves. I educated first-time parents on product features, safety standards, and usage, helping them make informed purchasing decisions. I help translate product information and customer inquiries for Spanish-speaking customers.
